“God said to Moses, ‘I AM WHO I AM.

This is what you are to say to the Israelites:

I AM has sent me to you.’ “Exodus 3:14 NIV

God finally had to tell Moses “I know this is a big job I am asking you to do, but remember I’m bigger than anything you can do. So just tell the people I AM said it first. Moses, I am everything you are not. I am capable of doing everything that needs to be done.”

We often look at characters of the Bible and wonder why it took so long for them to totally trust and obey God. From the leading of the Israelites to the feeding of the multitude, God’s people struggled trying to totally trust Him.

Now, how about us? We are His children; we have been adopted by Him. We are called to trust and obey. Then why is it that when we run up against an obstacle in life, we fall short in doing what we know we should?

The other day I was at the store. There was a little boy about seven or eight years old. He had been sent inside the store to pay for the gas his mother has just pumped. Apparently, he was given a little extra to buy a candy bar. He paid for the gas and got some money back. He then placed the candy bar on the counter and gave the lady the money. But she said, “I’m sorry son, you’re 13 cents short.” Now I was standing next to the little boy with a pocketful of money (eight bucks!). Then he turned and looked up at me as if to say, “How about it, mister?” Now I did what you would have done, and the little boy left with the candy bar and a smile.

Question: Don’t you believe that God looks at us when we come up a little short at times in our lives and says, “I’ve got you covered”? After all, I AM God . . . A beautiful thing called grace!

Read Psalm 145:1-10.

Let’s continue to do what we can and trust God to do what we can’t. Never forget to praise the great I AM.

Hallelujah!
